KLAF Case (Richard KAUFER alias Richard KLAF)

Reference: WELA-9099; WELM-2935; WELA-4907

Our original request to JACKPOT for files on this case was made because records previously forwarded to Mexico City from [redacted] could not be located. This is still the case and the only source for our current file is that information forwarded with WELA-4907. It is presumed that JACKPOT understands this situation when they say that all relevant facts have now been passed to us. Unless advised to the contrary, we will assume that the attachments to WELA-4907 represent all pertinent facts available on this case.
